YOU HAVE QUESTIONS

Q: What should I wear?

A: The best photos happen when you are confident. Wear what not only makes you feel good but also shows some personality. If you're looking for further inspo, give me a shout! I can help build personalized recommendations.

-

Q: When will I get my photos?

A: You can expect your photographs 3-4 weeks after your session, and photos will be available to you online.

-

Q: Will we get the print release of our photos?

A: Yes! Upon receiving your images, you will also get a full print release.

-

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images if you're game! If not, that's okay, too. Just make sure to let me know.

-

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be accounted for and charged upon request.
