M E E T N O E L L E

Hi Y'all! I'm Noelle, the owner, photographer, and editor of Noelle Rebekah Media. Portraits, especially seniors, might be my favorite sessions. I love getting time to get to know and capture an individual's personality and style it in a portrait.

Based out of Denver, CO, I've been shooting professional portraits since 2016 and joined the wedding world in 2020.

It's not just about the stunning images, it's also about the experience. I'm here to make sure it's a good one. Beyond the camera, I aim to be your cheerleader, adventure buddy, and coffee shop, connoisseur. I'm here to help you tell your story and cherish living it out as well.

Get comfy as you browse my work!

YOU HAVE QUESTIONS

Q: What should I wear?

A: The best photos happen when you are confident. Wear what not only makes you feel good but also shows some personality. If you're looking for further inspo, give me a shout! I can help build personalized recommendations.

Q: When will I get my photos?

A: You can expect your photographs 3-4 weeks after your session, and photos will be available to you online.

Q: Will we get the print release of our photos?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images if you're game! If not, that's okay, too. Just make sure to let me know.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be accounted for and charged upon request.
